

LILLY SCHOLARS AT PURDUE

The Office of Professional Practice is excited to offer a 1-credit professional development course specifically for the inaugural class of Lilly Scholars during the Fall 2024 semester. All Lilly Scholars are encouraged to enroll to engage in weekly seminars led by industry partners and professional staff designed to introduce a variety of career readiness tools for Lilly Scholars at Purdue.

REGISTER ON myPURDUE
1-credit weekly seminars on Thursdays

ENGR 10301-025, CRN 24458 - (Fall 2024 only)*

3:30pm - 4:20pm in WALC B066

Instructor - Kim Graham

**All majors/disciplines are eligible to register despite ENGR course code*

COURSE OVERVIEW

- ▶ Connect with first cohort of Lilly Scholars, faculty and industry professionals
- ▶ Transition your resume from high school to college
- ▶ Develop a LinkedIn profile, elevator pitch and your personal brand
- ▶ Network with guest speakers and Lilly employees
- ▶ Undergraduate teaching assistants will serve as mentors to provide feedback, share knowledge and help with your career readiness skills
